

Regulations for the leader of a youth group

Welcome aboard the Eckerö Line's m/s Finlandia!

The following regulations have been drawn up to ensure the well-being and safety of everyone aboard. Acquaint yourselves with the regulations already before the voyage begins!

The group and the group leader make up a team, in which the team leader acts as a team captain, so to speak, representing the group in all matters. It is important that the group leader knows the young people in his group and they know him. The person who agrees to become the group leader should keep in mind that it is not just a pure formality, rather it is a great responsibility with demanding tasks. We thank you in advance for cooperation, it will help us to ensure a successful voyage to everyone.

Group leader must:

1. take care of his group throughout the whole voyage;
2. inform the members of the group that, aboard the ship, they must follow the Eckerö Line house rules;
3. make sure that the whole group goes on board together;
4. check that no one takes personal alcoholic beverages on board;
5. acquaint with the ship's safety regulations and urge the members of the group to do similarly;
6. control the group's conduct aboard the ship throughout the whole voyage and interfere immediately in any case of breach of order;
7. contact (via information desk) the ship's security officer, should the need arise;
8. be able to act in all situations to the best interests of the group, fellow passengers and the shipping company;
9. make sure that the underage members of the group do not consume alcohol;
10. keep in mind that intermediary sale of alcoholic beverages to underage persons is punishable;
11. make it known to the group that the group members are held liable for the caused damages and breach of order;
12. make it known to the group that the improper conduct of the group, the members of the group or the group leader aboard the ship may, in the worst case, entail putting off the ship and leaving in the nearest port.

I undertake to fulfill the group leader's duties of Eckerö Line Ab Oy
